

Greater Michigan PMC Night at MCAA Convention an Unqualified Great Time !

The Greater Michigan PMC rented the Chinese Theatre at the MGM Studios at Disney World for the Association's Convention Party. Having the "Great Movie Ride" to ourselves gave us the opportunity to get right next to the exhibits and statues along with the great fun of having gangsters for the cocktail party, old west robbers for dinner, and ending the magical evening with desert in OZ with Gwendolyn the Good Witch and the Munchkins. As we

followed the yellow brick road to the awaiting buses it was obvious (and by the pictures below) that it was as much fun as going somewhere over the rainbow!

A special thank-you to the Detroit PMC and Michigan MCA for their sponsorship of the cocktail party in gangster land.

MCAA Candid Shots

Whether enjoying themselves at the evening programs, listening intently to the featured speakers, checking out the parks at Disney, visiting NASA, or celebrating at the closing party with larger-than life flowers, and spectacular fireworks, the Mechanical Contractors Association of America's Annual Convention was an unqualified success.

As you can see by the pictures from the Michigan delegation, a great time was had by all.
