

# Annual Inspectors Luncheon

A number of retirees, a full-house of members and inspectors, along with representatives of the Construction Code Commission and our Lobbyist from Michigan MCA were the necessary ingredients for a remarkable holiday party. The Greater Michigan PMC held its Annual Inspector's Luncheon and a great time was had by all!

Lloyd Zill (pictured left) Chairman of the Board welcomed everyone, and as is the tradition, had all in attendance introduce themselves and where they were representing.

This year close to 100 individuals were in attendance.

Tennyson Barry, Division Chief, Mechanical Division, reviewed the recent meetings at the state level regarding the upcoming changes in the BOCA Code. Bill Vallance, Assistant Chief, Boiler Division reviewed the year at his division and discussed what we can expect in the future.
