

Annual Inspectors Luncheon

A number of retirees, a full-house of members and inspectors, along with representatives of the Michigan Construction Code Commission were the necessary ingredients for a remarkable holiday party. The Greater Michigan PMC held its Annual Inspector's Luncheon and a great time was had by all!

Duane Branch (pictured left) Chairman of the Michigan State Plumbing Board welcomed everyone, and as is the tradition, had all in attendance introduce themselves and where they were representing. This year close to 75 individuals were in attendance.

Tennison Barry, Division Chief, Mechanical Division, reviewed the recent meetings at the state level regarding the upcoming changes in the BOCA Code. Bill Vallance, Assistant Chief, Boiler Division reviewed the year at his division and discussed what we can expect in the future.
