

# Annual Inspectors Luncheon

A number of retirees, a full-house of members and inspectors, along with representatives of the Construction Code and our Lobbyist from Michigan MCA were the necessary ingredients for a remarkable holiday party. The Greater Michigan PMC held its Annual Inspector's Luncheon and a great time was had by all.

Sandra Miller, Greater Michigan PMC welcomed everyone, and as is the tradition, had all in attendance introduce themselves and where they were representing.

This year close to 80 individuals were in attendance.

Tennyson Barry, Division Chief, Mechanical Division, reviewed the recent meetings at the state level regarding the upcoming changes in the BOCA Code. Others in attendance from the Construction Code Commission were Dave Adams, Norwood Bates and Kevin Kalakay.

Ron House, Business Manager, UA 190, discussed the outlook for 2006 and the upcoming events of what is expecting to come into their jurisdiction.
