

## Michael Brunett Selected Secretary of MPMCA

The Greater Michigan PMC is proud to announce that Michael Brunett, John E. Green Company, was selected to serve as Secretary of the Michigan Plumbing & Mechanical Contractors Association.

The Secretary's position places Mike in line to become President of the organization in 2014.

Mike has had an exceptionally distinguished career in our industry. He began as an apprentice and has been with the same firm, the John E. Green Company, since 1955.

In 2004 he was named the MPMCA's "Michigan Contractor of the Year". The Greater Michigan UA Local 190 Joint Training Committee honored him for 50 Years of Service to the Industry at their annual Graduation Ceremony.

Mike Brunett has served on the PMC's Board of Directors for the past 20 years and is currently Chairman of the Board. He has been a dynamic member of the local Negotiating Committee, a committee that has ushered in major changes in the local contract, that have been adopted nationally and throughout the country.

He has been involved in numerous local and statewide committees, including being President of the Michigan Mechanical Contractors Association.

## Duane Branch Reappointed to MI Plumbing Board

*Congratulations PMC members Duane Branch and Dave Jones on their recent re-appointments to the Michigan State Board of Plumbing!*

Duane Branch has been a member of the Board for over fifteen years and was elected Chairman in 1994, and each subsequent year thereafter. Duane, who was MPMCA's Contractor of the Year in 2002, has been involved in the mechanical industry for the past 50 years. He was a past President of the PMC and actively involved in apprenticeship training and code education for most of those years. He and Barbara have been married for 56 years with two children, one grandchild, and one great grandchild.

## Greater MI PMC Honored as MPMCA Local Association of the Year

Each year the MPMCA, at their Summer Conference, honors a local association of the year --- not only for its activities that serve its membership, but also for the value that they add to their communities and for their support of MPMCA.

*The 2008 Local Association of the Year is the Greater Michigan PMC.* It was honored as an organization that works closely with other local MCA Chapters. They sponsor numerous educational programs, many times jointly with other MCA's. It has an aggressive schedule of meetings and events to serve their members, along with numerous Boards and Coalitions that enhance the industry.

### MPMCA's Local Association of the Year Award

MPMCA honored PMC for assertively serving the community in which they are centered, stating that *"This organization is valued and recognized as the premier construction group. MPMCA is pleased to recognize them as the Local Association of the Year."*

## Dave Jones Reappointed to MI Plumbing Board

Dave Jones of the John E. Green Company was appointed to his second term on the Michigan Board of Plumbing. Dave is the Assistant Office Manager and Estimator/Project Manager at John E. Green.

Dave received his Journeycard along with his Associates Degree from Washtenaw Community College in 1984.

He currently serves on a number of PMC committees, including the Chairman of the Greater MI Welding Bureau and the Greater MI UA 190 Joint Training Committee. Dave Jones and his wife Therese have been married 24 years with six children, ages 13 to 23, with one grandchild.
