

59th Annual United Association Instructor Training Program

The 59th Annual United Association (UA) Instructor Training Program (ITP), was held at Washtenaw Community College. As stated by UA General President William Hite, "As we begin our 59th United Association Instructor Training Program, I would like to take this opportunity to express my appreciation to all

those involved in training in the UA. So much depends on the skill and dedication you bring to the task of preparing future generations of UA tradespeople, and it's only due to your unparalleled commitment that we continue to be recognized as having the finest training program in the world. This is an especially challenging time for all of us, and I want to

acknowledge the commitment represented by your participation in our Instructor Training Program. We all know that we must continue to prepare for what lies ahead, and I truly believe that we are starting to experience an increased demand for our skilled journeyworkers."

The Mechanical Industry Labor-Management Fund, which is comprised of Greater MI PMC and UA Local 190, co-sponsored the UA's Champions for Charity 5K run during UA Week.

The United Association of Plumbers and Pipefitters and Champions for Charity, sponsored its first Annual 5k and Pub Crawl. Held in Ann Arbor, on Monday, August 13th. The Run was to raise awareness for the Semper Fi Fund.

The money that was raised from the Pub Crawl will benefit the Injured Marine Semper Fi Fund which pro-

vides immediate support for injured and critically ill members of the U.S. Armed Forces and their families.
